(The "School")

Policy #9: Complaints

Mission

Through a rigorous, bilingual programme and innovative methods, we educate students to become responsible, creative, and principled global citizens. We teach them to think critically and act ethically, to form and express their own opinions and respect those of others, to define their own life goals, and to make sense of and embrace change.

Our values are: Excellence, Creativity, Integrity, Awareness and Community.

In support of these aims and values we are committed to ensuring the following:

1. Introduction

The purpose of this policy is to provide families with the procedure they need to follow in order to raise a concern or complaints, should they need to do so.

Lycee International de Londres Winston Churchill seeks always to work collaboratively in partnership with parents and carers. In almost all cases, matters of concern will be resolved quickly with the child's key person, class or subject teacher. However, we recognise that, at times, it may not be possible to resolve concerns to the satisfaction of parents simply and quickly through discussion with a teacher and they may wish to pursue matters further in accordance with this procedure. The DfE notes that, with regard to this procedure, there is no distinction between a concern and a complaint, and each should be addressed according to this procedure. Any matter about which a parent is unhappy and seeks action by the school is considered as a complaint and will be managed in accordance with this procedure, attributing a high priority to investigating matters comprehensively and responding to parents in line with published timescales.

This procedure is available to parents of current and registered students. The school does not have an obligation to follow this procedure in relation to complaints from parents of former students, unless the complaint was initiated before the child left the school.

A. Timescales

Written complaints about the fulfilment of the EYFS requirements are investigated and the complainant notified of the outcome of the investigation within 28 days. For any other complaint relating to a child in the EYFS and for complaints relating to students in Year 1 and older, the school will endeavour to follow the timescales, as published at each stage of the procedure. It is recognised that there may be factors beyond the school's control, or the need for more detailed investigation, which prevent adherence to these timescales. The school aims to keep parents informed about progress in the investigation of any complaint, and the reason for any delays.

Except in the particular case of EYFS requirements, as noted above, timescales relate to working days during term-time. A complaint received during school holidays will, for the purposes of timescales, be considered to have been received on the first working day following the holiday.

B. Early Years Foundation Stage

Ofsted has authority over EYFS.

Parents of children in the EYFS can, if they wish, complain to Ofsted if they believe the school is not fulfilling the requirements of the EYFS framework - contact details are found below.

C. Further General Information

If a student is permanently excluded, the school will usually offer Stage 3 of this procedure as a basis for an appeal process, should the parent wish to appeal. For further information, please refer to the student Codes of Conduct. Similarly, should a prospective parent wish to appeal against a decision not to offer a child a place at the school, the school may offer Stage 3 of this procedure as a means of managing an appeal. For further information, please refer to the Admissions Policy. In each case, there would not be a requirement to, but the school may choose to, include a panel member who is independent of the management and running of the school.

Where repeated attempts are made by a parent to raise the same complaint after it has been considered at all three stages, this is likely to be regarded as vexatious and falls outside the scope of the policy.

For consistency with regulatory expectations throughout the procedure, a parent making a complaint is referred to as the 'complainant'. This policy is available on the school website or through application to the school.

This policy should be read in conjunction with the following policies:

Admissions Policy, Health & Safety Policy, Behaviour and Discipline Policy, Privacy Notice for Parents, Privacy Notice for Students, Gifts, benefits, inducement, Anti-Bribery Policy, Equal Opportunities Policy (Students), Whistleblowing Policy (for staff), Accessibility Policy, Risk Assessment Policy, Equal Opportunity and Diversity Policy (for staff), CCTV Policy & Code of Practice, Taking, Storing and Using Images of Children Policy, Management and Retention of Records Policy, Anti-money Laundering Policy.

2.The Complaints Procedure

It is expected that, except in the case of complaints where the Head can immediately identify that a complaint is of a particularly serious nature and chooses, therefore, to advance it to a later stage of the procedure, all complaints will begin with an investigation at Stage 1 and will progress through the procedure until a resolution has been found or the panel at Stage 3 has published its final decision.

Stage 1 - Informal resolution

We hope that most complaints and concerns will be resolved quickly and informally.

If parents have a complaint they should normally contact their child's key person, class teacher or Head of Year or Head of section. In many cases, the matter will be resolved immediately by this means, to the parents' satisfaction. If the key person, class teacher or Head of Year or Head of section cannot resolve the matter alone, it may be necessary for them to consult the Head.

Complaints made directly to the Head of School will usually be referred to the relevant key person, class teacher or tutor unless the Head deems it appropriate to deal with the matter personally.

The key person, class teacher or Head of Year or Head of section will make a written record of all concerns and complaints and the date on which they were received. Should the complaint not be resolved immediately, the school will resolve the matter promptly and amicably, normally within five (5) working days of receipt of the complaint.

Stage 2 - Formal Resolution

In the event that a complainant is not happy with the outcome of a complaint at Stage 1, they should inform the Head, in writing: LIL Record of complaints stage 2 , if they wish the complaint to be considered at Stage 2.

It should include:

- A summary of the nature of the complaint
- The reasons why the complainant is dissatisfied with the outcome at Stage 1.

The Head will decide, after considering the complaint, the appropriate course of action to take. The school will aim to resolve the matter, normally within 10 working days (during term time) of receipt of the request to progress to Stage 2.

In most cases, the Head will meet with the parents concerned, normally within five working days of receiving the complaint (during term time), to discuss the matter. The Head may invite other members of staff, as appropriate, to attend the meeting, which may include someone to take notes of the discussion. If possible, a resolution will be reached at this stage.

It may be necessary for the Head to carry out further investigations. A written record will be kept of all meetings and interviews held in relation to the complaint. Once the Head is satisfied that, so far as is practicable, all of the relevant facts have been established, a decision will be made and complainants will be informed of this decision in writing **within 28 days**. The Head will also give reasons for their decision.

Complaints against the Head

In the event the complaint against the Head progresses to the formal stage, it will be dealt with at governance level. The complaint can be submitted to the Head of School or the school office for forwarding, or addressed directly to the school's Compliance Officer (complianceandprivacyofficer@lyceeinternational.london) at the address provided at the foot of this document. The Compliance Officer will nominate a person of suitable experience and seniority to manage the complaint at this stage. This may be, for example, a governor, a senior member of Lycee International de Londres Winston Churchill office staff or another professional person, such as a recently retired Head. The Compliance Officer will not normally be directly involved in this stage, in order to permit his participation, should the matter need to progress to a panel hearing.

Stage 3 - Panel Hearing

In the event that a complainant is not happy with the outcome of a complaint at Stage 2, they should inform the Compliance Officer at Lycee International de Londres Winston Churchill, in writing, if they wish the complaint to be considered at Stage 3, using the address at the foot of this document. This notification should be received by the school **within 10 working days of the complainant receiving details of the outcome of the investigation at Stage 2**.

It should include:

- A summary of the nature of the complaint
- The reasons why the complainant is dissatisfied with the outcome at Stage 2.

The Compliance Officer will convene a Complaints Panel. The matter will then be referred to the Complaints Panel for consideration. The panel will consist of at least three people who were not directly involved in the matters detailed in the complaint and an independent panel member not involved in the management or running of the school.

The Compliance Officer, on behalf of the panel, will then acknowledge the complaint and schedule a **hearing to take place as soon as practicable and normally within 15 working days.**

If the panel deems it necessary, it may require that further information or particulars of the complaint or any related matter be supplied in advance of the hearing. Documentation to be considered at the hearing shall be supplied to all parties, to the extent that confidentiality and GDPR requirements permit, not later than three days prior to the hearing.

The complainant(s) may be accompanied to the hearing by one other person. This may be a relative, teacher or friend. Legal representation will not normally be appropriate.

If possible, the panel will resolve the complaint immediately without the need for further investigation.

Where further investigation is required, the panel will decide how it should proceed and may request to see additional documentation.

After due consideration of all facts considered relevant, the Panel will reach a decision and may make findings and recommendations, which it shall aim to complete, normally within 15 working days of the hearing. The findings and recommendations of the panel will be provided in writing to the complainant and, where relevant, to the person complained about and made available for inspection on the school premises by the governing body and the Head.

3. Recording of Complaints and Confidentiality

The school maintains a record in its formal complaints log of all complaints which reach Stage 2 or progress to a panel hearing, including the date and outcome of each complaint and the stage at which it was concluded. The log also records any action taken by the school as a result of the complaint, regardless of whether it was upheld.

All parties involved in a complaint, including the complainant, the school, witnesses and those conducting an investigation must treat all matters and documentation related to concerns and complaints confidentially. Parents can be

assured that correspondence, statements and records related to complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them, or where any other legal obligation prevails. A record of all complaints will be made available to ISI on request.
